DISTRICT OF UTAH, CENTRAL DIVISION**

In re:

III Exploration II LP,

Debtor.

Bankruptcy No. 16-26471 (RKM)

Chapter 11

**GLOBAL NOTES, METHODOLOGY, AND SPECIFIC
DISCLAIMERS REGARDING THE DEBTOR'S SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

III Exploration II LP, as debtor in the above-captioned chapter 11 case (the “Debtor”), has filed its Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements”) in the United States Bankruptcy Court for District of Utah, Central Division (the “Bankruptcy Court”). The Debtor, with the assistance of its advisors, prepared the Schedules and Statements in accordance with section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

Michael E. Rich has signed the Schedules and Statements. Mr. Rich serves as the Executive Vice President and Chief Financial officer of Petroglyph Energy, Inc., General Partner of the Debtor (the “General Partner”), and is an authorized signatory for the Debtor. In reviewing and signing the Schedules and Statements, Mr. Rich has necessarily relied upon the efforts, statements, advice, and representations of personnel of the Debtor, the General Partner and the Debtor’s advisors. Mr. Rich has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

In preparing the Schedules and Statements, the Debtor relied on financial data derived from its books and records that was available at the time of such preparation. Although the Debtor has made every reasonable effort to ensure the accuracy and completeness of the Schedules and Statements, inadvertent errors or omissions may exist, and subsequent information or discovery may result in material changes to the Schedules and Statements.

The Debtor and its agents, attorneys and advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and will not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether

negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtor and its agents, attorneys and advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event will the Debtor or its agents, attorneys and advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtor or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtor or its agents, attorneys, and advisors are advised of the possibility of such damages.

Global Notes and Overview of Methodology

1. **Description of Cases and “As Of” Information Date.** On July 26, 2016 (the “Petition Date”), the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtor is operating its business and managing its property as debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The information provided herein, except as otherwise noted, is reported as of the Petition Date.
2. **Global Notes Control.** These Global Notes pertain to and comprise an integral part of all of the Schedules and Statements and should be referenced in connection with any review thereof. In the event that the Schedules and Statements differ from these Global Notes, the Global Notes control.
3. **Reservations and Limitations.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. The Debtor reserves all rights to amend or supplement the Schedules and Statements as is necessary and appropriate. Nothing contained in the Schedules and Statements constitutes a waiver of any of the Debtor’s rights or an admission of any kind with respect to this chapter 11 case, including, but not limited to, any rights or claims of the Debtor against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.
 - (a) **No Admission.** Nothing contained in the Schedules and Statements is intended or should be construed as an admission or stipulation of the validity of any claim against the Debtor, any assertion made therein or herein, or a waiver of the Debtor’s rights to dispute any claim or assert any cause of action or defense against any party.

- (b) **Claims Description.** Any failure to designate a claim on the Debtor's Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated." The Debtor reserves all rights to dispute, or assert offsets or defenses to, any claim ("Claim") reflected on its Schedules and Statements on any grounds, including, without limitation, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent," or "unliquidated" or object to the extent, validity, enforceability, priority, or avoidability of any Claim. The Debtor reserves all rights to amend its Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation.
- (c) **Recharacterization.** Notwithstanding the Debtor's commercially reasonable efforts to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtor may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtor's business. Accordingly, the Debtor reserves all of its rights to re-characterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition. Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.
- (d) **Liabilities.** The Debtor has sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtor reserves all of its rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate.

The liabilities listed on the Schedules do not reflect any analysis of Claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtor reserve all of its rights to dispute or challenge the validity of any asserted Claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim.

- (e) **Insiders.** For purposes of the Schedules and Statements, the Debtor defined "insiders" pursuant to section 101(31) of the Bankruptcy Code as: (a) directors of

the Debtor; (b) officers of the Debtor; (c) persons in control of the Debtor; (d) relatives of the Debtor's directors, officers or persons in control of the Debtor; and (e) debtor/non-debtor affiliates of the foregoing. Persons listed as "insiders" have been included for informational purposes only and by including them in the Schedules, shall not constitute an admission that those persons are insiders for purposes of section 101(31) of the Bankruptcy Code. Moreover, the Debtor does not take any position with respect to: (a) any insider's influence over the control of the Debtor; (b) the management responsibilities or functions of any such insider; (c) the decision making or corporate authority of any such insider; or (d) whether the Debtor or any such insider could successfully argue that he or she is not an "insider" under applicable law or with respect to any theories of liability or for any other purpose.

- (f) **Intellectual Property Rights.** Exclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.
- (g) **Leases.** For purposes of the Schedules and Statements, the Debtor has treated royalty interests, overriding royalty interests, non-executive mineral interests, non-participating royalty interests, rights of way, and easements as real property interests in land. The Debtor has included information about the instruments governing such interests on Schedule A/B, and on Schedule G regardless of whether such instruments may be considered executory contracts within the meaning of Bankruptcy Code section 365.
- (h) **Classifications.** Listing (i) a claim on Schedule D as "secured," (ii) a claim on Schedule E/F as "priority," (iii) a claim on Schedule E/F as "unsecured," or (iv) a contract on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtor of the legal rights of the claimant, or a waiver of the Debtor's right to recharacterize or reclassify such claim or contract.
- (i) **Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtor to make reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of the Schedules and Statements, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from those estimates.

- (j) **Causes of Action.** Despite its commercially reasonable efforts to identify all known assets, the Debtor may not have listed all of its causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of actions arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtor reserves all of its rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “Causes of Action”) it may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

4. **Methodology.**

- (a) **Basis of Presentation.** The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled to the financial statements of the Debtor. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment.
- (b) **Confidential Information.** There may be instances in the Schedules and Statements where the Debtor deemed it necessary and appropriate to redact from the public record information such as names, addresses, or amounts. Typically, the Debtor has used this approach because of an agreement between the Debtor and a third party, concerns of confidentiality, or concerns for the privacy of an individual.
- (c) **Net Book Value.** In certain instances, current market valuations for individual items of property and other assets are neither maintained by, nor readily available to, the Debtor. Accordingly, unless otherwise indicated, the Debtor’s Schedules and Statements reflect net book values. Market values may vary, at some times materially, from net book values. The Debtor believes that it would be an inefficient use of the assets of the Debtor’s estate for the Debtor to obtain the current market values of its assets. Accordingly, the Debtor has indicated in the Schedules and Statements that the values of certain assets and liabilities are

undetermined. Also, assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in the Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtor with respect to such asset.

- (d) **Property and Equipment.** Unless otherwise indicated, owned property and equipment are valued at net book value. The Debtor may lease furniture, fixtures, and equipment from certain third-party lessors. Any such leases are listed in the Schedules and Statements. Nothing in the Schedules and Statements is, or should be construed as, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtor reserves all rights with respect thereto. Neither the unevaluated and proved property carrying values were evaluated for possible impairment as of the Petition Date.
- (e) **Accounts Receivable.** Amounts included in accounts receivable have not been assessed by the Debtor for ultimate collectability.
- (f) **Allocation of Liabilities.** The Debtor allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change.
- (g) **Undetermined Amounts.** The description of an amount as “unknown,” “TBD,” or “undetermined” is not intended to reflect upon the materiality of such amount.
- (h) **Unliquidated Amounts.** Amounts that could not be fairly quantified by the Debtor are scheduled as “unliquidated.”
- (i) **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- (j) **Paid Claims.** The Debtor has authority to pay certain outstanding prepetition payables pursuant to bankruptcy or other court order; as such, outstanding liabilities may have been reduced by any court-approved postpetition payments made on prepetition payables. Where and to the extent these liabilities have been satisfied, they are not listed in the Schedules and Statements. To the extent the Debtor pays or has paid any amount of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtor reserves all rights to amend or supplement the Schedules and Statements or to take other action, such as filing claims objections, as is necessary and appropriate.

to avoid overpayment or duplicate payments for liabilities. Nothing contained herein should be deemed to alter the rights of any party in interest to contest a payment made pursuant to an order of the Bankruptcy Court where such order preserves the right to contest.

- (k) **Liens.** Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.
- (l) **Intercompany Claims.** Payables owed by the Debtor in this chapter 11 case to its non-debtor affiliates are reported on Schedule E/F. Receivables, if any, owed to the Debtor in this chapter 11 case by its non-debtor affiliates are reported on Schedule AB.77. The dollar amounts listed for such receivables and payables are necessarily estimates, and the listing of any amounts with respect to such receivables and payables is not, and should not be construed as, an admission of the actual amounts or of the characterization of such estimated balances as debt, equity, or otherwise.
- (m) **Guarantees and Other Secondary Liability Claims.** The Debtor has exercised reasonable efforts to locate and identify guarantees in its executory contracts, unexpired leases, secured financings, and other such agreements. Where guarantees have been identified, they have been included in the relevant Schedules G and H for the Debtor. The Debtor may have inadvertently omitted guarantees embedded in its contractual agreements and may identify additional guarantees as it continues to review its books and records and contractual agreements. The Debtor reserves its rights, but is not required, to amend the Schedules and Statements if additional guarantees are identified.
- (n) **Excluded Assets and Liabilities.** The Debtor has excluded the following categories of assets and liabilities from the Schedules and Statements: certain deferred charges, accounts, or reserves recorded only for purposes of complying with the requirements of GAAP; deferred tax assets and liabilities; goodwill and other intangibles; asset retirement obligations; and certain accrued liabilities including, but not limited to, accrued salaries and employee benefits. Other immaterial assets and liabilities may also have been excluded. The Bankruptcy Court has authorized (but not directed) the Debtor to pay, in its discretion, certain outstanding Claims on a postpetition basis. Prepetition liabilities which have been paid postpetition are not listed in the Schedules and Statements. Prepetition liabilities which have been authorized for postpetition payment, but have not been paid by the Debtor, are listed in the Schedules and Statements.
- (o) **Liens.** The inventories, property and equipment listed in the Schedules and Statements are presented without consideration of any liens.
- (p) **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

- (q) **Setoffs.** The Debtor routinely incurs setoffs and net payments in the ordinary course of business. Such setoffs and nettings may occur due to a variety of transactions or disputes including, but not limited to, intercompany transactions, counterparty settlements, pricing discrepancies, rebates, returns, warranties, refunds, negotiations and/or disputes between Debtor and its customers regarding regulatory or governmental impositions costs incurred by Debtor, and other disputes between the Debtor and its customers and/or suppliers. These normal, ordinary course setoffs and nettings are common to the oil and gas industry. Due to the voluminous nature of setoffs and nettings, it would be unduly burdensome and costly for the Debtor to list each such transaction. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Debtor's Schedules and Statements. In addition, some amounts listed in the Schedules and Statements may have been affected by setoffs or nettings by third parties of which the Debtor is not yet aware. The Debtor reserves all rights to challenge any setoff and/or recoupment rights that may be asserted.
- (r) **Employee Addresses.** Officers and Directors addresses have been removed from entries listed throughout the Schedules and Statements, where applicable.

Specific Schedules Disclosures

Schedules Summary. Except as otherwise noted, the asset and liability information provided herein represents the Debtor's data regarding its assets and liabilities as of the Petition Date.

The Schedules do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of the Debtor. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtor's reasonable best efforts to report the assets and liabilities of the Debtor. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that the Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time before the Petition Date. Likewise, to the extent the Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent as of the Petition Date or at any time before the Petition Date.

Schedule A/B.3. The bank account balances listed are as of the Petition Date.

Schedule A/B.11. In the ordinary course of the Debtor's business, cash settlements must occur after the completion of an accounting settlement cycle, which typically takes 25-45 days following the end of a production month. The timeframe to calculate a net proceed for a given production month requires the following steps: (1) invoicing of joint interest partners and purchasers, (2) payment of capital and operating expenses, (3) receipt of gross sales revenues, (4) receipt of gross gathering, processing, and transportation expense payments, (5) receipt of

joint interest billing payments, and (6) disbursement of payments to royalty owners. These steps are necessarily accomplished over the span of 25-45 days following the end of a production month. Accordingly, there are a significant amount of accounts receivable owed to the Debtor as of the Petition Date which will be recouped or reimbursed in the ordinary course of business.

Schedule A/B.55. For purposes of the Schedules and Statements, the Debtor has treated royalty interests, overriding royalty interests, non-executive mineral interests, non-participating royalty interests, rights of way, and easements are real property interests in land. The Debtor has included information about the instruments governing such interests on Schedule A/B.55, and on Schedule G regardless of whether such instruments may be considered executory contracts within the meaning of section 365 of the Bankruptcy Code.

Certain of the instruments reflected on Schedule A/B.55 may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional lands, and other miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Schedule A/B.55. The Debtor hereby expressly reserves the right to assert that any instrument listed on Schedule A/B.55 is an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code. The Debtor reserves all of its rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed on Schedule A/B.55, including its right to dispute or challenge the characterization or the structure of any transaction, document, or instrument (including any intercompany agreement) related to a creditor's claim.

Schedule D. The Debtor has not included parties that may believe their Claims are secured through setoff rights or inchoate statutory lien rights. Although there are multiple parties that hold a portion of the debt included in the Debtor's prepetition secured credit facility, only the administrative agents have been listed for purposes of Schedule D. The amounts outstanding under the Debtor's prepetition secured credit facility reflect the approximate amount as of the Petition Date.

Schedule E/F. The listing by the Debtor of any account between a Debtor and a non-debtor affiliate is a statement of what appears in the Debtor's books and records and does not reflect any admission or conclusion of the Debtor regarding the allowance, classification, characterization, validity, or priority of such account. The Debtor takes no position in these Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtor and all parties in interest reserve all rights with respect to such accounts.

The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtor's books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtor. The Debtor reserves all of its rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

As more fully described in the *Debtor's Motion for Entry of Interim and Final Orders Authorizing Critical Mineral Interest Payments* [Docket No. 8], the Debtor holds a variety of

working interests in various oil and gas leases. Such working interests entitle the Debtor the exclusive right to export the minerals on the land, but the working interest owner bears the costs of exploration, development, and operation of the property. In exchange for its working interests, the Debtor shares production, or payments in lieu of a share of production (a “Royalty Interest”). The Debtor is also party to various joint operating agreements governing its relationship in a specific oil and gas lease, including how revenues and costs from the lease will be split. The Debtor is authorized to make payments for certain royalties and joint-interest billings on account of the foregoing pursuant to the *Interim Order Authorizing Critical Mineral Interest Payments* (the “Interim Payments Order”) [Docket No. 52] and, to the extent such amounts have been paid pursuant to such order, those amounts are not reflected on the Schedules and Statements.

Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtor’s books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific Claims as of the Petition Date.

Schedule G. Certain of the instruments reflected on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional lands, and other miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Schedule G. The Debtor hereby expressly reserves the right to assert that any instrument listed on Schedule G is an executory contract within the meaning of section 365 of the Bankruptcy Code. The Debtor reserves all of its rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed on Schedule A/B, including its right to dispute or challenge the characterization or the structure of any transaction, document, or instrument (including any intercompany agreement) related to a creditor’s claim.

Certain confidentiality and non-compete agreements may not be listed on Schedule G. The Debtor reserves all of its rights with respect to such agreements.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters and other documents that may not be listed on Schedule G or that may be listed as a single entry.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtor’s use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon. In some cases, the same supplier or

provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the Debtor and such supplier or provider.

Schedule H. Although there are multiple lenders under the Debtor's prepetition debt facility, only the administrative agents have been listed on Schedule H.

Specific Disclosures with Respect to the Debtor's Statements

Statement 1. The gross revenue from business is listed through the Petition Date.

Statement 3. Statement 3 includes any disbursement or other transfer made by the Debtor within 90 days before the Petition Date except for those made to insiders (which payments appear in Statement 4), and bankruptcy professionals (which payments appear in Statement 11 and include any retainers paid to bankruptcy professionals). The amounts listed in Statement 3 reflect the Debtor's disbursements netted against any check level detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry is listed on Statement 3.

Statement 4. The Debtor does not have employees thus there is no payroll, benefits, etc. Petroglyph Operating Company, Inc. ("POCI") provides operating services to the Debtor's pursuant to a Management Agreement dated September 28, 2001 and thus payroll, benefits, etc. are not reported on Statement 4.

Statement 24. At some locations, the Debtor may no longer have any operations and may no longer have relevant records or the records may no longer be complete. For these reasons, it may not be possible to identify and supply the requested information for every "site" literally responsive to Statement 24. The Debtor has devoted substantial internal and external resources to identifying and providing the requested information for as many responsive sites as reasonably possible. The Debtor may supplement or amend this response in the future. When some requested categories of information were not reasonably available for a listed "site," the Debtor's response gives as much information as was reasonably available.

Statement 26d. The Debtor has provided financial statements in the ordinary course of its business to numerous financial institutions, creditors, and other parties within two years immediately before the Petition Date. Considering the number of such recipients and the possibility that such information may have been shared with parties without the Debtor's knowledge or consent, the Debtor has not disclosed any parties that may have received such financial statements for the purposes of Statement 26d.

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on Schedule G: Executory Contracts and Unexpired Leases (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.

In re:

III Exploration II LP,

Debtor.

Bankruptcy No. 16-26471 (RKM)

Chapter 11

**GLOBAL NOTES, METHODOLOGY, AND SPECIFIC
DISCLAIMERS REGARDING THE DEBTOR'S SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

III Exploration II LP, as debtor in the above-captioned chapter 11 case (the “Debtor”), has filed its Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements”) in the United States Bankruptcy Court for District of Utah, Central Division (the “Bankruptcy Court”). The Debtor, with the assistance of its advisors, prepared the Schedules and Statements in accordance with section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

Michael E. Rich has signed the Schedules and Statements. Mr. Rich serves as the Executive Vice President and Chief Financial officer of Petroglyph Energy, Inc., General Partner of the Debtor (the “General Partner”), and is an authorized signatory for the Debtor. In reviewing and signing the Schedules and Statements, Mr. Rich has necessarily relied upon the efforts, statements, advice, and representations of personnel of the Debtor, the General Partner and the Debtor’s advisors. Mr. Rich has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

In preparing the Schedules and Statements, the Debtor relied on financial data derived from its books and records that was available at the time of such preparation. Although the Debtor has made every reasonable effort to ensure the accuracy and completeness of the Schedules and Statements, inadvertent errors or omissions may exist, and subsequent information or discovery may result in material changes to the Schedules and Statements.

The Debtor and its agents, attorneys and advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and will not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether

negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtor and its agents, attorneys and advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event will the Debtor or its agents, attorneys and advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtor or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtor or its agents, attorneys, and advisors are advised of the possibility of such damages.

Global Notes and Overview of Methodology

1. **Description of Cases and “As Of” Information Date.** On July 26, 2016 (the “Petition Date”), the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtor is operating its business and managing its property as debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. The information provided herein, except as otherwise noted, is reported as of the Petition Date.
2. **Global Notes Control.** These Global Notes pertain to and comprise an integral part of all of the Schedules and Statements and should be referenced in connection with any review thereof. In the event that the Schedules and Statements differ from these Global Notes, the Global Notes control.
3. **Reservations and Limitations.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. The Debtor reserves all rights to amend or supplement the Schedules and Statements as is necessary and appropriate. Nothing contained in the Schedules and Statements constitutes a waiver of any of the Debtor’s rights or an admission of any kind with respect to this chapter 11 case, including, but not limited to, any rights or claims of the Debtor against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.
 - (a) **No Admission.** Nothing contained in the Schedules and Statements is intended or should be construed as an admission or stipulation of the validity of any claim against the Debtor, any assertion made therein or herein, or a waiver of the Debtor’s rights to dispute any claim or assert any cause of action or defense against any party.

- (b) **Claims Description.** Any failure to designate a claim on the Debtor's Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated." The Debtor reserves all rights to dispute, or assert offsets or defenses to, any claim ("Claim") reflected on its Schedules and Statements on any grounds, including, without limitation, liability or classification, or to otherwise subsequently designate such claims as "disputed," "contingent," or "unliquidated" or object to the extent, validity, enforceability, priority, or avoidability of any Claim. The Debtor reserves all rights to amend its Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation.
- (c) **Recharacterization.** Notwithstanding the Debtor's commercially reasonable efforts to properly characterize, classify, categorize, or designate certain Claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtor may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtor's business. Accordingly, the Debtor reserves all of its rights to re-characterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition. Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.
- (d) **Liabilities.** The Debtor has sought to allocate liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtor reserves all of its rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary or appropriate.

The liabilities listed on the Schedules do not reflect any analysis of Claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtor reserve all of its rights to dispute or challenge the validity of any asserted Claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim.

- (e) **Insiders.** For purposes of the Schedules and Statements, the Debtor defined "insiders" pursuant to section 101(31) of the Bankruptcy Code as: (a) directors of

the Debtor; (b) officers of the Debtor; (c) persons in control of the Debtor; (d) relatives of the Debtor's directors, officers or persons in control of the Debtor; and (e) debtor/non-debtor affiliates of the foregoing. Persons listed as "insiders" have been included for informational purposes only and by including them in the Schedules, shall not constitute an admission that those persons are insiders for purposes of section 101(31) of the Bankruptcy Code. Moreover, the Debtor does not take any position with respect to: (a) any insider's influence over the control of the Debtor; (b) the management responsibilities or functions of any such insider; (c) the decision making or corporate authority of any such insider; or (d) whether the Debtor or any such insider could successfully argue that he or she is not an "insider" under applicable law or with respect to any theories of liability or for any other purpose.

- (f) **Intellectual Property Rights.** Exclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.
- (g) **Leases.** For purposes of the Schedules and Statements, the Debtor has treated royalty interests, overriding royalty interests, non-executive mineral interests, non-participating royalty interests, rights of way, and easements as real property interests in land. The Debtor has included information about the instruments governing such interests on Schedule A/B, and on Schedule G regardless of whether such instruments may be considered executory contracts within the meaning of Bankruptcy Code section 365.
- (h) **Classifications.** Listing (i) a claim on Schedule D as "secured," (ii) a claim on Schedule E/F as "priority," (iii) a claim on Schedule E/F as "unsecured," or (iv) a contract on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtor of the legal rights of the claimant, or a waiver of the Debtor's right to recharacterize or reclassify such claim or contract.
- (i) **Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtor to make reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of the Schedules and Statements, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from those estimates.

- (j) **Causes of Action.** Despite its commercially reasonable efforts to identify all known assets, the Debtor may not have listed all of its causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of actions arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtor reserves all of its rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “Causes of Action”) it may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

4. **Methodology.**

- (a) **Basis of Presentation.** The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled to the financial statements of the Debtor. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment.
- (b) **Confidential Information.** There may be instances in the Schedules and Statements where the Debtor deemed it necessary and appropriate to redact from the public record information such as names, addresses, or amounts. Typically, the Debtor has used this approach because of an agreement between the Debtor and a third party, concerns of confidentiality, or concerns for the privacy of an individual.
- (c) **Net Book Value.** In certain instances, current market valuations for individual items of property and other assets are neither maintained by, nor readily available to, the Debtor. Accordingly, unless otherwise indicated, the Debtor’s Schedules and Statements reflect net book values. Market values may vary, at some times materially, from net book values. The Debtor believes that it would be an inefficient use of the assets of the Debtor’s estate for the Debtor to obtain the current market values of its assets. Accordingly, the Debtor has indicated in the Schedules and Statements that the values of certain assets and liabilities are

undetermined. Also, assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in the Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtor with respect to such asset.

- (d) **Property and Equipment.** Unless otherwise indicated, owned property and equipment are valued at net book value. The Debtor may lease furniture, fixtures, and equipment from certain third-party lessors. Any such leases are listed in the Schedules and Statements. Nothing in the Schedules and Statements is, or should be construed as, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtor reserves all rights with respect thereto. Neither the unevaluated and proved property carrying values were evaluated for possible impairment as of the Petition Date.
- (e) **Accounts Receivable.** Amounts included in accounts receivable have not been assessed by the Debtor for ultimate collectability.
- (f) **Allocation of Liabilities.** The Debtor allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change.
- (g) **Undetermined Amounts.** The description of an amount as “unknown,” “TBD,” or “undetermined” is not intended to reflect upon the materiality of such amount.
- (h) **Unliquidated Amounts.** Amounts that could not be fairly quantified by the Debtor are scheduled as “unliquidated.”
- (i) **Totals.** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- (j) **Paid Claims.** The Debtor has authority to pay certain outstanding prepetition payables pursuant to bankruptcy or other court order; as such, outstanding liabilities may have been reduced by any court-approved postpetition payments made on prepetition payables. Where and to the extent these liabilities have been satisfied, they are not listed in the Schedules and Statements. To the extent the Debtor pays or has paid any amount of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtor reserves all rights to amend or supplement the Schedules and Statements or to take other action, such as filing claims objections, as is necessary and appropriate.

to avoid overpayment or duplicate payments for liabilities. Nothing contained herein should be deemed to alter the rights of any party in interest to contest a payment made pursuant to an order of the Bankruptcy Court where such order preserves the right to contest.

- (k) **Liens.** Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.
- (l) **Intercompany Claims.** Payables owed by the Debtor in this chapter 11 case to its non-debtor affiliates are reported on Schedule E/F. Receivables, if any, owed to the Debtor in this chapter 11 case by its non-debtor affiliates are reported on Schedule AB.77. The dollar amounts listed for such receivables and payables are necessarily estimates, and the listing of any amounts with respect to such receivables and payables is not, and should not be construed as, an admission of the actual amounts or of the characterization of such estimated balances as debt, equity, or otherwise.
- (m) **Guarantees and Other Secondary Liability Claims.** The Debtor has exercised reasonable efforts to locate and identify guarantees in its executory contracts, unexpired leases, secured financings, and other such agreements. Where guarantees have been identified, they have been included in the relevant Schedules G and H for the Debtor. The Debtor may have inadvertently omitted guarantees embedded in its contractual agreements and may identify additional guarantees as it continues to review its books and records and contractual agreements. The Debtor reserves its rights, but is not required, to amend the Schedules and Statements if additional guarantees are identified.
- (n) **Excluded Assets and Liabilities.** The Debtor has excluded the following categories of assets and liabilities from the Schedules and Statements: certain deferred charges, accounts, or reserves recorded only for purposes of complying with the requirements of GAAP; deferred tax assets and liabilities; goodwill and other intangibles; asset retirement obligations; and certain accrued liabilities including, but not limited to, accrued salaries and employee benefits. Other immaterial assets and liabilities may also have been excluded. The Bankruptcy Court has authorized (but not directed) the Debtor to pay, in its discretion, certain outstanding Claims on a postpetition basis. Prepetition liabilities which have been paid postpetition are not listed in the Schedules and Statements. Prepetition liabilities which have been authorized for postpetition payment, but have not been paid by the Debtor, are listed in the Schedules and Statements.
- (o) **Liens.** The inventories, property and equipment listed in the Schedules and Statements are presented without consideration of any liens.
- (p) **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.

- (q) **Setoffs.** The Debtor routinely incurs setoffs and net payments in the ordinary course of business. Such setoffs and nettings may occur due to a variety of transactions or disputes including, but not limited to, intercompany transactions, counterparty settlements, pricing discrepancies, rebates, returns, warranties, refunds, negotiations and/or disputes between Debtor and its customers regarding regulatory or governmental impositions costs incurred by Debtor, and other disputes between the Debtor and its customers and/or suppliers. These normal, ordinary course setoffs and nettings are common to the oil and gas industry. Due to the voluminous nature of setoffs and nettings, it would be unduly burdensome and costly for the Debtor to list each such transaction. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Debtor's Schedules and Statements. In addition, some amounts listed in the Schedules and Statements may have been affected by setoffs or nettings by third parties of which the Debtor is not yet aware. The Debtor reserves all rights to challenge any setoff and/or recoupment rights that may be asserted.
- (r) **Employee Addresses.** Officers and Directors addresses have been removed from entries listed throughout the Schedules and Statements, where applicable.

Specific Schedules Disclosures

Schedules Summary. Except as otherwise noted, the asset and liability information provided herein represents the Debtor's data regarding its assets and liabilities as of the Petition Date.

The Schedules do not purport to represent financial statements prepared in accordance with GAAP, nor are they intended to be fully reconciled with the financial statements of the Debtor. Additionally, the Schedules contain unaudited information that is subject to further review and potential adjustment, and reflect the Debtor's reasonable best efforts to report the assets and liabilities of the Debtor. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that the Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time before the Petition Date. Likewise, to the extent the Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent as of the Petition Date or at any time before the Petition Date.

Schedule A/B.3. The bank account balances listed are as of the Petition Date.

Schedule A/B.11. In the ordinary course of the Debtor's business, cash settlements must occur after the completion of an accounting settlement cycle, which typically takes 25-45 days following the end of a production month. The timeframe to calculate a net proceed for a given production month requires the following steps: (1) invoicing of joint interest partners and purchasers, (2) payment of capital and operating expenses, (3) receipt of gross sales revenues, (4) receipt of gross gathering, processing, and transportation expense payments, (5) receipt of

joint interest billing payments, and (6) disbursement of payments to royalty owners. These steps are necessarily accomplished over the span of 25-45 days following the end of a production month. Accordingly, there are a significant amount of accounts receivable owed to the Debtor as of the Petition Date which will be recouped or reimbursed in the ordinary course of business.

Schedule A/B.55. For purposes of the Schedules and Statements, the Debtor has treated royalty interests, overriding royalty interests, non-executive mineral interests, non-participating royalty interests, rights of way, and easements are real property interests in land. The Debtor has included information about the instruments governing such interests on Schedule A/B.55, and on Schedule G regardless of whether such instruments may be considered executory contracts within the meaning of section 365 of the Bankruptcy Code.

Certain of the instruments reflected on Schedule A/B.55 may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional lands, and other miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Schedule A/B.55. The Debtor hereby expressly reserves the right to assert that any instrument listed on Schedule A/B.55 is an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code. The Debtor reserves all of its rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed on Schedule A/B.55, including its right to dispute or challenge the characterization or the structure of any transaction, document, or instrument (including any intercompany agreement) related to a creditor's claim.

Schedule D. The Debtor has not included parties that may believe their Claims are secured through setoff rights or inchoate statutory lien rights. Although there are multiple parties that hold a portion of the debt included in the Debtor's prepetition secured credit facility, only the administrative agents have been listed for purposes of Schedule D. The amounts outstanding under the Debtor's prepetition secured credit facility reflect the approximate amount as of the Petition Date.

Schedule E/F. The listing by the Debtor of any account between a Debtor and a non-debtor affiliate is a statement of what appears in the Debtor's books and records and does not reflect any admission or conclusion of the Debtor regarding the allowance, classification, characterization, validity, or priority of such account. The Debtor takes no position in these Schedules and Statements as to whether such accounts would be allowed as a Claim, an Interest, or not allowed at all. The Debtor and all parties in interest reserve all rights with respect to such accounts.

The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtor's books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtor. The Debtor reserves all of its rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

As more fully described in the *Debtor's Motion for Entry of Interim and Final Orders Authorizing Critical Mineral Interest Payments* [Docket No. 8], the Debtor holds a variety of

working interests in various oil and gas leases. Such working interests entitle the Debtor the exclusive right to export the minerals on the land, but the working interest owner bears the costs of exploration, development, and operation of the property. In exchange for its working interests, the Debtor shares production, or payments in lieu of a share of production (a “Royalty Interest”). The Debtor is also party to various joint operating agreements governing its relationship in a specific oil and gas lease, including how revenues and costs from the lease will be split. The Debtor is authorized to make payments for certain royalties and joint-interest billings on account of the foregoing pursuant to the *Interim Order Authorizing Critical Mineral Interest Payments* (the “Interim Payments Order”) [Docket No. 52] and, to the extent such amounts have been paid pursuant to such order, those amounts are not reflected on the Schedules and Statements.

Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtor’s books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific Claims as of the Petition Date.

Schedule G. Certain of the instruments reflected on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional lands, and other miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Schedule G. The Debtor hereby expressly reserves the right to assert that any instrument listed on Schedule G is an executory contract within the meaning of section 365 of the Bankruptcy Code. The Debtor reserves all of its rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed on Schedule A/B, including its right to dispute or challenge the characterization or the structure of any transaction, document, or instrument (including any intercompany agreement) related to a creditor’s claim.

Certain confidentiality and non-compete agreements may not be listed on Schedule G. The Debtor reserves all of its rights with respect to such agreements.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including, purchase orders, amendments, restatements, waivers, letters and other documents that may not be listed on Schedule G or that may be listed as a single entry.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtor’s use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon. In some cases, the same supplier or

provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the Debtor and such supplier or provider.

Schedule H. Although there are multiple lenders under the Debtor's prepetition debt facility, only the administrative agents have been listed on Schedule H.

Specific Disclosures with Respect to the Debtor's Statements

Statement 1. The gross revenue from business is listed through the Petition Date.

Statement 3. Statement 3 includes any disbursement or other transfer made by the Debtor within 90 days before the Petition Date except for those made to insiders (which payments appear in Statement 4), and bankruptcy professionals (which payments appear in Statement 11 and include any retainers paid to bankruptcy professionals). The amounts listed in Statement 3 reflect the Debtor's disbursements netted against any check level detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry is listed on Statement 3.

Statement 4. The Debtor does not have employees thus there is no payroll, benefits, etc. Petroglyph Operating Company, Inc. ("POCI") provides operating services to the Debtor's pursuant to a Management Agreement dated September 28, 2001 and thus payroll, benefits, etc. are not reported on Statement 4.

Statement 24. At some locations, the Debtor may no longer have any operations and may no longer have relevant records or the records may no longer be complete. For these reasons, it may not be possible to identify and supply the requested information for every "site" literally responsive to Statement 24. The Debtor has devoted substantial internal and external resources to identifying and providing the requested information for as many responsive sites as reasonably possible. The Debtor may supplement or amend this response in the future. When some requested categories of information were not reasonably available for a listed "site," the Debtor's response gives as much information as was reasonably available.

Statement 26d. The Debtor has provided financial statements in the ordinary course of its business to numerous financial institutions, creditors, and other parties within two years immediately before the Petition Date. Considering the number of such recipients and the possibility that such information may have been shared with parties without the Debtor's knowledge or consent, the Debtor has not disclosed any parties that may have received such financial statements for the purposes of Statement 26d.
